Meeting Notes

No.5 (Charles Kingston) showing foolishness of Babylon. It takes 6lbs of wheat to raise 7lbs of pork and 70% of that is water; therefore, it would take 24# of wheat to raise 1# of dried pork; therefore, one could feed 24 people in this wheat instead of one pig.

No.2 (Clyde Gustafson) said if I could gain the power of the Lord and have it with me so that people could feel it when I speak, then I could do some good. (Dream of people at ground in Treasureton).

No.2 (Clyde Gustafson) said cost family of 3 \$.43 a yr, against \$3.00 in Babylon.

No.1 (Elden Kingston) explained clothes will be loose. No buttons. Coveralls will be standard for men. Be careful that nothing comes into our lives that will take our attention from this instruction. Let our minds be clean at all times. See that there is no contention in homes, as the evil one will try as hard as he can to hinder us at this time. No.1 cautioned us to be on time for all meetings.

All agreed to help use musty flour. Clothes made without buttons as a sign that we are doing things different from Babylon.

Sultry weather early in season is a sign of earthquakes.

Meeting adjourned at 9 O'clock
