## Meeting Notes

No.5 (Charles Kingston) visited Brother Petty in Pocatello. He prayed before retiring that the Lord would show him what to do and where to move. He dreamed he was at home and was beating a cat across the back on the floor, as he opened the door the house filled with dogs, No.4 stood in back. Brother Petty yelled "I'm coming as soon as I can get ready."

No.4's (Marion Brown) interpretation: Brother Petty was getting prayer guidance as to when to come. Brother Petty's daughter Louina dreamed of a large dog that was going through the country biting cattle and people and everything that it bit died. Interpretation: referred to plagues that are to come.

No.3 (Burke Frandsen) read parts of 88 section of the D&C and remarked how many things referred to our time. V.3-4, V.69, V76, V.95-96-97, V.100-101-102-108-109, V.120, V.121, V.122, V.123, V.124, V.125, V.126.

No.1,2 (Afton Brown) had a dream wherein Brother 1 told No.4 to be careful what he told a certain man because he might be a detective.

Interpretation [(by whom? Likely Elden?)]: be careful of designing people, and in giving information to unfamiliar people.

We did away with honey and used wheat instead. Honey as quick rebuilders. Wheat slower but more enduring. We can't mix old foods in new diet. Now all our foods comes direct from the earth.
