## Meeting Notes

**No.1 (Elden Kingston)** explained Law is truth. Those that reach the highest degree of glory are those that have found out the laws and obeyed them. Those in Hell are those that would not obey law. We should spend our entire life seeking out laws. There are so many laws it would be impossible to find all while here. But we should find them that will enable us not to conflict with all these laws. Everything is governed by law; muscles, movements, ground, etc. God is God because he found and obeyed laws and is in perfect harmony with law. If Elijah did not come the earth would be smitten with a curse, means that although all would not accept Elijah and his teachings, yet there would be some that would accept and fulfill the law, or the lower or wicked spirits or men are upheld by the more righteous, or those that obey law.

**No.1 (Elden Kingston)** read poem:

I am Law. I am nature's way; I am God's way. By me comes order, unity. In my hand I hold three gifts: health, happiness, and success. Those who do not follow me are devoured by the dogs of disease, misery and failure. The ignorant fear me, they run from my faces. They tremble at my voice, but the wise love me and seek me forever. I am their desired lover. Fools think to outwit me; and that no son of man has ever done. I am more clever than the cleverest. I am stronger than the strongest. I am as old as God. I never sleep. I never ????. I am vinile as youth. I am as accurate as mathematics. I am beautiful as jewelry. I am sweet as music.
